لقد تجاوزت تجربتنا مع كاما تك حتى الآن كل توقعاتنا ، لقد بدأنا رحلتنا مع كاما تك في الربع الأول من عام 2023 ، وقد نجحوا في الحصول على العمل شركه IPI من الشريك السابق الذي كنا نعمل معه ، ومنذ اليوم الأول استطعنا نشعر بالفرق في العديد من الجوانب ،

معرفة العميقة بالنظام ، والتي مكنتهم من استخراج بيانات محددة من النظام وتحويلها إلى أدوات إعداد تقارير مفيدة للغاية ، والتي بدت سابقا مستحيلة التحقيق.

الخلفية المحاسبية القوية للمهندس أحمد مكنته من إعادة هيكلة الهيكل المحاسبي الذي تم إعداده مسبقا على النظام ، مما جعل البيانات أكثر منطقية ويطبقنا المزيد من المعلومات المتصلة التي أثبتت أنها مفيدة للغاية ، يمكنني الاسترسال بقائمة طويلة جدا من المتطلبات الخاصة ب IPI التي تمكنا من تحقيقها بمساعدتهم.

أحد الأشياء المهمة جدا التي نقدرها حقاً ، هو استجابتهم السريعة كلما واجهتنا مشكلة ، والتي عادة ما يتم حلها في نفس اليوم ، أو في اليوم التالي على الأكثر.

مكنتنا المعرفة والدعم من جني الفوائد الكاملة لنظام Odoo ERP ، وهو أداة قوية جداً ، ولكن للأسف ، فإنه يفقد الكثير من مميزات ، إذا كنت لا تعمل مع شريك لديه ما يكفي من المعرفة لإرشادك خلال الفوائد الكاملة للنظام.

نحن نعمل حالياً معهم للترقية من الإصدار 14 إلى الإصدار 16 ، وقد أظهروا حتى الآن قدرًا كبيرًا من الاحتراف والمعرفة ، وأنا متأكد تمامًا من أن الانتقال سيكون سلسًا للغاية.

شكراً جزيلاً لكل فريق كاما تك

Our experience with Kamah Tech so far has exceeded all our expectations, we have started our journey with Kamah Tech in the first quarter of 2023, they had taken over the business from the previous partner that we were working with, and from day one we could feel the difference in so many aspects,

Their in-depth knowledge of the system, which enabled them to extract specific data from the system and turn it into very useful reporting tools, that so far seemed impossible to achieve.

The strong accounting background of Eng Ahmed, enabled him to restructure the accounting chart that was previously setup on the system, which made the data make much more sense and give us more in-depth information that proved to be extremely useful, I can go on with a very long list of milestones that we were able to achieve with their help.

One of the very important things that we really appreciate, is their fast response whenever we are faced with a problem, which is usually solved within the same day, or at most the next day.

The knowledge and support enabled us to reap the full benefits of the Odoo ERP system, which is a very powerful tool, but unfortunately, it loses many of its feature, if you are not working with a partner that has enough knowledge to guide you through the full benefits of the system.

We are currently working with them to upgrade from the 14 to the 16 version, and so far they have shown extreme professionalism and knowledge, and I am quite sure that the transition will be very smooth.

A big thank you to all the Kamah Tech team

Thanks to Kamah tech Team's thorough understanding of the Furniture industry and their deep knowledge of Business Process, accounting workflow, accounting advanced reports, we've been able to get an extraordinary amount of information from our ERP system exactly, in the precise format that we want.

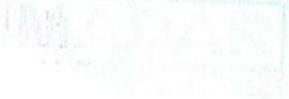

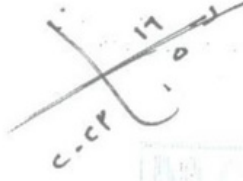

Kamah Tech is much more than a software integrator. Their team is really responsive, available, efficient and expert. Kamah Tech worked with all the issues we had regarding the system and solve them all.
